BTI's New Stamped Steel Handles

BTI is now offering Stamped Steel Handles to fit all sizes of ABZ, Keystone, Pelican, Sure Seal and Ultraflo valves, used in the transportation industry at **15% savings or more** over what you are currently paying. These handles are equal to or better than any stamped steel handle on the market today with a tough baked on finish and are in stock and available for immediate delivery. Please give us a call today at **1-800-841-5524** to stock up and start saving money.
